

OUSSAMA BOUFI

FRONT END DEVELOPER

Profile

Experienced Front End Web Developer specializing in React.js and Next.js with a strong track record in building dynamic, responsive web applications. Skilled in translating complex design concepts into efficient code and adept at collaborating across teams to deliver innovative solutions. Passionate about continuous learning and staying current with industry trends.

EXPERIENCE

FREELANCE FRONT-END DEVELOPER

Front End Developer

November 2021 - Current

- Design and maintain cutting-edge web applications with a focus on React.js and Next.js, ensuring the highest level of performance and user engagement.
- Partner with UI/UX designers to transform conceptual designs into dynamic and interactive web pages that enhance the user experience.
- Led the implementation of advanced performance optimization techniques and ensured seamless functionality across browsers.
- Sophisticated and integrated RESTful APIs, enabling robust interaction between front-end and back-end systems.
- Lead code review sessions, promoting a culture of continuous improvement and peer-to-peer knowledge sharing.

SELECTED PROJECTS

Innovative e-commerce platform

September 2023 - November 2023

- Design a comprehensive e-commerce platform featuring real-time product listings, a dynamic shopping cart, and secure user authentication.
- Used React.js to build responsive and high-performance user interfaces and Next.js for server-side rendering and SEO.
- Conduct rigorous user testing and iterative development, improving the platform based on feedback for an outstanding shopping experience.

EDUCATION

BACHELOR OF PHYSICS

Cady Ayad University, Marrakech,
Marrakech - Safi

Graduation Year: 2023

SELF-EDUCATION

I actively pursue self-education in web development, focusing on mastering React.js, Next.js, and modern front-end technologies through online courses and tutorials. This continuous learning approach enhances my skills in responsive design, JavaScript frameworks, and efficient code optimization.

SKILLS

SELECTED PROJECTS :

HTML5 , CSS3 , JavaScript ES6+
React.js/ Next.js , TypeScript,
Bootstrap/Tailwind CSS, Responsive
Design, UI/UX Design Principles,
RESTful APIs/GraphQL, Git/GitHub.

SOFT SKILLS :

Problem-solving, Attention to Detail, Time
Management, Team Collaboration,
Communication, Adaptability, Creativity,
Continuous Learning.
